Insurance

All of our yachts are fully insured against total loss and third-party liability with a self-behalf of the deposit amount. The damage of the dinghy, out boarder or on the sails is within the self behalf and not covered by the insurance. The crew and its personal possessions are not covered by the yacht's insurance. We highly recommend taking care about personal insurance. The skipper must be holder of a valid sailing license or provide proof of sufficient previous sailing experience.

Transitlog and formalities

Your permission to sail on Turkish waters, costs **110 €** and is obligatory from Turkish authorities for every charter. Please send us the following documents latest two week prior to the beginning of your charter; We can arrange all necessary formalities in advance. Therefore, we need:

Departure may be delayed & fees may increase, if we don't receive above mentioned documents in time.

- Complete crew list (with first- & surname, address, date of birth, place of birth, nationality & passport no.)
- Skipper's sailing license (must be a license which is accepted in the home country of the skipper)
- ID cards or Passports from 2 crew members.
- Signed charter agreements with our terms and conditions.

Greece

The sailing area of the yacht is limited to Turkish waters. A visit to the Greek Islands (Dodecanese) is possible if desired. However there are official customs formalities required, which involve additional costs. We will be pleased to assist you with the customs formalities personally in Turkey and over our partner agencies in Greece.

We kindly ask you to let us know timely if you are planning a visit to the Greek Islands.

- Additional to the obligatory 1st Transitlog + 300 € per Yacht for the harbour and customs formalities in Turkey (including the 2nd Transitlog for the re-entry in Turkey).
 - 10 € per person for custom fees
 - approximately 1.500 € - 3.500 € to the Greek agencies on the islands (payable to the agent in Greece)

Transfer

We can organize transfers from the airport to the marina and back. In case of ordering a transfer, please send us the flight number, the date, the exact time of flight and number of persons. A driver, with your name badge, will wait for you at the airport in order to bring you directly to your yacht in the marina.

If you arrive before 6pm, one of our staff members will welcome you on board. Guests which arrive after this time can also spend the night on board, if we are informed about the exact arrival time. Every yacht is thoroughly cleaned and checked before each charter. There is a complete inventory list on board of each yacht. One of our assistants will carefully introduce you to your yacht and will give you information to the boat and the sailing area.
